TO: Utility Districts; the Cities of Houston and Katy, Texas; Non-District/Non-City Well Owners within the West Harris County Regional Water Authority ("GRP Participants")

RE: Notice of Withdrawal of Stage 1 Water Restrictions

The West Harris County Regional Water Authority's ("Authority") water supplies have resumed normal operations after having been disrupted as a result of Hurricane Beryl. Accordingly, effective July 12, 2024, Stage 1 water restrictions (voluntary reductions pursuant to the Authority's Drought Contingency Plan) have been lifted. Thank you for your cooperation.

Please note that the Authority's Drought Contingency Plan addresses numerous circumstances that can impact water supply (not just lack of rainfall or drought), including disruption of water supply due to natural disasters. A copy of the Authority's Drought Contingency Plan is posted on the Authority's website: www.whcrwa.com.
